Purpose of the policy

The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

- all aspects of the centre's exam process is documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to
- the workforce is well informed and supported
- all centre staff involved in the exams process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times
- exam candidates understand the exams process and what is expected of them

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

Once this policy has been reviewed and updates as appropriate it will be communicated to all relevant centre staff by October 2020.

Roles and responsibilities overview

The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements in order to ensure the security and integrity of the examinations/assessments.

The examinations officer is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The head of centre may not appoint themselves as the examinations officer. A head of centre and an examinations officer are two distinct and separate roles. ([GR 2](#))

Head of centre responsibilities

The 'head of centre' is the most senior operational officer in the organisation. This may be the headteacher of a school, the principal of a college, the Chief Executive Officer of an Academy Trust or the Managing Director of a company or training provider. It is the responsibility of the head of centre to ensure that all staff comply with the instructions in this booklet.

For details about specific head of centre responsibilities, see sections 1, 8, 11, 12, 13, 16, 24, Appendix 1, section 6 and Appendix 8. ([ICE Introduction](#))

(GR 5.8)

Legislation on sharing information

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13. This suggests that candidate consent should be sought to share results or other exams-related information with a third party.

Other legislation and guidance may need to be taken into account regarding sharing information with parents, as example information from the DfE for schools regarding parental responsibility and school reports on pupil performance:

- Understanding and dealing with issues relating to parental responsibility www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility
- School reports on pupil performance www.gov.uk/guidance/school-reports-on-pupil-performance-guide-for-headteachers

Access Arrangements Policy

The Access Arrangements Policy is stored on the intranet under School Policies, or available upon request from the Exams Officer. ...The head of centre/senior leadership team will... have a **written** process in place to not only check the qualification(s) of their assessor(s) but that the correct procedures are followed as in Chapter 7 of the JCQ publication *Access Arrangements and Reasonable Adjustments*... (GR 5.4)

- Ensures the relevant awarding bodies are informed of any **Conflict of Interest** where
 - a member of centre staff is taking a qualification at the centre which includes internally assessed components/units (taking at the centre as a last resort where unable to find an alternative centre)
 - a candidate is being taught and prepared for a qualification which includes internally assessed components/units by a member of centre staff with a personal connection to the candidate

 - a member of exams office staff have a personal connection to a candidate being entered for exams and assessments at the centre or at another centre
 - a member of centre staff is taking a qualification at the centre which does not include internally assessed components/units (taking at the centre as a last resort where unable to find an alternative centre)
 - a member of centre staff is taking a qualification at another centre
- Ensures other relevant centre staff where they may be involved in the receipt and dispatch of confidential exam materials are briefed on the requirements for maintaining the integrity and confidentiality of the exam materials

Where Manor Green College runs a course that has internally assessed components, the Exams Officer will ask all the staff involved to complete a Conflict of Interest Declaration.

The Exams Officer will complete a Conflict of Interest Declaration if any family member or close friend is sitting exams or controlled assessments this year.

It is the responsibility of the head of centre to ensure that his/her centre... manages Conflicts of Interest by informing the awarding bodies, before the published deadline for entries, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units;
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units; and maintains clear records of all instances where:

- centre staff are taking qualifications at their centre which do not include internally assessed components/units;
- centre staff are taking qualifications at other centres.

The head of centre **must** ensure that the records include details of the measures taken to mitigate any potential risk to the integrity of the qualifications affected.

The records may be inspected by a JCQ Centre Inspector and/or awarding body staff. They might be requested in the event of concerns being reported to an awarding body. The records **must** be retained until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later.

Heads of centre should note that entering members of centre staff for qualifications at their own centre **must** be as a last resort in cases where the member of centre staff is unable to find another centre.

The head of centre is responsible for ensuring that proper protocols are in place to prevent the member of centre staff having access to examination materials prior to the examination and that other centre staff are briefed on maintaining the integrity and confidentiality of the examination materials.

The head of centre **must** ensure that during the examination series the member of centre staff is treated in the same way as any other candidate entered for that examination, does not have access to examination materials and does not receive any preferential treatment. (GR 5.3)

- Ensures members of centre staff do **not** forward e-mails and letters from awarding body or JCQ personnel without prior consent to third parties or upload such correspondence onto social media sites and applications

Word Processor Policy (Exams)

The Word Processor Policy (Exams) is stored on the intranet under School Policies, or available upon request from the Exams Officer.

A centre must have a policy on the use of word processors. A word processor cannot simply be granted to a candidate because he/she now wants to type rather than write in examinations or can work faster on a keyboard, or because he/she uses a laptop at home.

The use of a word processor must reflect the candidate's normal way of working within the centre. For example, where the curriculum is delivered electronically and the centre provides word processors to all candidates.

The centre may wish to set out the particular types of candidates which it considers would benefit from the use of a word processor. For example, a candidate with...

A member of the centre's senior leadership team must produce a statement for inspection purposes which details the criteria the centre uses to award and allocate word processors for examinations. (AA 5.8)

- Ensures criteria for candidates granted **separate invigilation within the centre** is clear, meets JCQ regulations and best meets the needs of individual candidates and remaining candidates in main exam rooms

Separate Invigilation Policy

The Separate Invigilation Policy is stored on the intranet under School Policies, or available upon request from the Exams Officer.

The SENCo must make their decision based on:

- whether the candidate has a substantial and long term impairment which has an adverse effect; and
- the candidate's normal way of working within the centre.

For example, in the case of separate invigilation, the candidate's difficulties are established within the centre (see Chapter 4, paragraph 4.1.4) and known to a Form Tutor, a Head of Year, the SENCo or a senior member of staff with pastoral responsibilities.

Separate invigilation reflects the candidate's normal way of working in internal school tests and mock examinations as a consequence of a long term medical condition or long term social, mental or emotional needs. (AA 5.16)

The SENCo, or an equivalent member of staff within a FE college, must ensure that the must ensure that the proposed access arrangement does not disadvantage or advantage the candidate. (AA 4.2.1)

A candidate may only take their examinations under separate invigilation within the centre where he/she has **an established difficulty** - see **section 5.16** of the JCQ publication *Access Arrangements and Reasonable Adjustments*...

Where candidates are subject to separate invigilation within the centre, the regulations and guidance within this booklet must always be adhered to. This is particularly so in relation to accommodation and invigilation arrangements (see sections 11 and 12). (ICE 14)

Senior leaders, Teaching staff

- Support the ALS lead/SENCo in determining and implementing appropriate access arrangements

- Provide a statement for inspection purposes which details the criteria the centre uses to award and allocate word processors for examinations

Internal assessment and endorsements

Head of centre

Controlled assessments, coursework and non-examination assessments

- Ensures arrangements are in place to co-ordinate and standardise all marking of centre-assessed components and ensures that candidates' centre-assessed work is produced, authenticated and marked, or assessed and quality assured in accordance with the awarding bodies' instructions (including where relevant, private candidates)
- Ensures that teaching staff, in accordance with awarding bodies' instructions, return all subject-specific forms by the required date
- Provides fully qualified teachers to mark non-examination assessments
- Ensures an **internal appeals procedure** relating to internal assessment decisions is in place for a candidate to appeal against and request a review of the centre's marking (see Roles and responsibilities overview)
- Ensures a **non-examination assessment policy** is in place for GCE and GCSE qualifications which include components of non-examination assessment (For CCEA GCSE centres this would be a controlled assessment policy)

Non-examination Assessment Policy

The Non-examination Assessment Policy is stored on the intranet under School Policies, or available upon request from the Exams Officer.

The centre will... have in place and be available for inspection purposes, a **written** policy with regard to the management of GCE and GCSE non-examination assessments; (For CCEA GCSE centres this would be a **written** controlled assessments policy.) ([GR 5.7](#))

The JCQ requires each centre to have a non-examination assessment policy in place:

- to cover procedures for planning and managing non-examination assessments;
- to define staff roles and responsibilities with respect to non-examination assessments;
- to manage risks associated with non-examination assessments.

A JCQ Centre Inspector will ask the examinations officer to confirm that such a policy is in place. The guidance provided in this document will help the head of centre to ensure that the centre's policy is fit for purpose. The policy will need to cover all types of non-examination assessment.

Additionally, each centre must have available for inspection an internal appeals procedure relating to internal assessment decisions. ([NEA 1](#))

Access to Scripts, Reviews of Results and Appeals Procedures

Candidates will be made aware of Review of Results services (Clerical Re-checks, Reviews of Marking and Access to Scripts) at the Y11 Exam Information Evening usually held in March. Details will be included in documentation given to candidates and will be available on the school website.

Review of Results may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking. The candidates consent is required before any Review of Results service is requested.

If a result is queried, the Exams Officer, teaching staff and Head of Centre will investigate the feasibility of asking for a review of marking.

Members of the Senior Leadership Team and teaching staff will be available to speak to candidates and give advice on queries regarding their results immediately from the publication of results and details of staff availability will be included in the letter enclosed with the results slip.

Where the Centre does not support a candidate's or parent's request for a Review of Results service, a candidate may apply to have a Review of Results service carried out and if a candidate requires this against the advice of subject staff the candidate will be charged.

Candidates will be made aware that their grade may go down, remain the same or go up. They must sign a declaration that they are aware that their grade may do down.

A letter and form providing exam board fees and deadlines for requesting Reviews of Results and Access to Scripts (ATS) services will be given to candidates with their results slips and will be found on the school website.

After the release of results, Centre staff may also request scripts for reviews of marking or for teaching purposes. The consent of candidates will be obtained after they have received and seen their results GCSE review of markings cannot be applied for once a script has been returned.

Once the outcome of a Review of Results has been received by the Centre, candidates will be informed by either e-mail or letter.

The internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support a review of results or an appeal is detailed in a separate document which can be requested from the Exams Officer.

The centre will... have in place written procedures for how it will deal with candidates' requests for access to scripts, clerical re-checks, reviews of marking, reviews of moderation and appeals to the awarding bodies. Details of these procedures must be made widely available and accessible to all candidates. Candidates must be made aware of the arrangements for post-results services before they sit any examinations and the accessibility of senior members of centre staff immediately after the publication of results... (GR 5.13)

The centre will... treat all candidates equally, including private candidates, throughout the examination process. This would also extend to post-results services and appeals (GR 5.6)

Seating and identifying candidates in exam rooms

Exams officer

- Ensures a procedure is in place to verify candidate identity including private candidates

Candidate Identification Procedure

Due to very small number of students we have sitting exams, student identity is confirmed by the Exams Officer at the beginning of every exam.

The centre will... verify the identity of all students that they enter for examinations or assessments. The centre must be satisfied that all candidate identities have been checked, whether as part of the initial registration process, or in the case of private candidates through a verification process which involves photo-ID ([GR 5.6](#))

The centre will... have in place written procedures to verify the identity of all candidates at the time of the examination or assessment... (GR 5.9)

Invigilators must establish the identity of all candidates sitting examinations.

A private/external candidate or a transferred candidate who is not known to the school or college must show photographic documentary evidence to prove that he/she is the same person who entered/registered for the examination/assessment, e.g. passport or photographic driving licence.

Where it is impossible to identify a candidate due to the wearing of religious clothing, such as a veil, the candidate should be approached by a member of staff of the same gender and taken to a private room where they should be politely asked to remove the religious clothing for identification purposes. Centres must inform candidates in advance of this procedure and well before their first examination.

Once identification has been established, the candidate should replace, for example, their veil and proceed as normal to sit the examination.

Invigilators must be informed of those candidates with access arrangements and must be made aware of the access arrangement(s) awarded. (ICE 16)

- Ensures invigilators are aware of the procedure

- Ensures the secure storage facility contains only current and live confidential material (ensuring that past examination question papers, internal tests and mock examinations are not kept in the centre's secure storage facility)

Exams officer

- Produces a master centre exam timetable for each exam series
- Identifies and resolves candidate exam timetable clashes according to the regulations (only applying overnight supervision arrangements as a last resort, once all other options have been exhausted and according to the centre's policy)

Overnight Supervision Arrangements Policy

Due to the small amount of GCSE examinations our students take, there will not be a case where a student has a total duration of three or more examinations to be taken in one day and is more than 5 hours 30 minutes for GCSE examinations.

Overnight supervision arrangements should only be applied as a last resort and once all other options have been exhausted...

...candidates may, at the centre's discretion, be allowed to take an examination the following morning, including Saturdays (see paragraph 8.5). Candidates are not allowed to take examinations on an earlier day than that scheduled on the timetable...

The overnight supervision arrangements must ensure that the candidate does not have advance warning of the content of the examination deferred until the following morning. This means the candidate must not meet or communicate with anyone who may have knowledge of the content. This includes any form of electronic communication/storage device, e.g. telephone (both landline and mobile), e-mail, internet and social media. It also extends to television and radio, which could report key details of the day's examinations.

The JCQ Overnight Supervision and Overnight Supervision Declaration forms must be completed before the overnight supervision is to commence. The JCQ Overnight Supervision form is completed online using the Centre Admin Portal (CAP). The JCQ Overnight Supervision Declaration form is downloaded from the Centre Admin Portal (CAP) for signing by the candidate, the supervisor and the head of centre. ([ICE 8](#))

Absentees will receive a phone call home by the Exams Officer or Deputy headteacher, as soon as possible, after the start of the exam.

If the Candidate will be late, they and their parents/carers will be advised to keep the candidate under supervision at all times; until the candidate is handed over to a member of the centre staff. In these circumstances the parent/carer and the candidate will be asked to sign an appropriate statement to confirm the supervision arrangements which were put in place.

A candidate or their parent/carer must contact the school as early as possible, before the start of the exam, by either phone or e-mail to confirm if a candidate will be absent from an exam.

Once candidates are seated and have started the examination, complete the attendance register. This will allow for the identification of absent candidates who can be contacted as to their whereabouts. (ICE 22)

A candidate will be considered very late if they arrive:

- More than one hour after the published starting time for an examination which lasts one hour or more, i.e. after 10.15 am for a morning examination or after 2.30 pm for an afternoon examination.

For an examination that lasts less than one hour, a candidate will be considered very late if they arrive:

- After the awarding body's published finishing time for the examination.

When a candidate arrives very late for an examination, the following will be undertaken:

- The script will be sent to the awarding body/examiner in the normal way.
- The Exams Officer will complete a Form JCQ/VL (Report on candidate admitted very late to examination room) within 7 days of the examination taking place.

The Exams Officer/Deputy Head Teacher will liaise with candidates and their parents/carers who persistently arrive late for examinations.

A candidate who arrives after the start of the examination may be allowed to enter the examination room and sit the examination. This is entirely at the discretion of the centre.

- Ensures this additional/second check is recorded

Emergency Evacuation Policy

Emergency Evacuation Procedure for Exams

The invigilator must take the following action in an emergency such as a fire alarm or a bomb alert.

- Stop the candidates from writing.
- Collect the attendance register (in order to ensure all candidates are present) and evacuate the examination room in line with the instructions given by the appropriate authority.

In the event of a fire alarm at Manor Green College during exams in the Art room the instruction is:

Invigilators should await instructions from the Exams Officer or member of SLT whether the exam room should be evacuated.

- Advise candidates to leave all question papers and scripts in the examination room.
- Candidates should leave the room in silence.
- Make sure that the candidates are supervised as closely as possible while they are out of the examination room to make sure there is no discussion about the examination.
- When instructed, supervise the return of candidates to the exam room.
- Make a note of the time of the interruption and how long it lasted.
- Allow the candidates the full working time set for the examination.
- If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination.
- Make a full report of the incident and of the action taken and send to the relevant awarding body.

Fire Procedures

The signal for evacuation will be the continuous ringing of the fire bell. The Exams Officer or a member of SLT will confirm that the exam room needs to be evacuated. Candidates must never re-enter the building while the alarm is still sounding or before a senior member of staff has confirmed it is safe to do so.

On hearing the alarm, candidates, invigilators and Access support volunteers and staff are to leave the room in accordance with the above instructions to the nearest safe exit out of

the building, switching off the lights, closing the doors and windows. Everyone must walk swiftly – not run – and take no belongings with them.

When outside the building assemble the candidates and invigilators at the assembly point.

Assembly Points

- The Assembly point for exam candidates is the playground

The Lead Invigilator must take the candidate examination register(s) and report to the Attendance Officer.

The Exam Officer will obtain the Invigilator signing-in sheet from the Receptionist and will check the presence of Invigilators against this record confirming those present to the Receptionist (or in their absence another member of the office team).

Invigilators must know the correct route for evacuating the room in which the examination is taking place, evacuation notices are displayed in all classrooms, sports halls, the main hall and library. The Site Manager will ensure that these notices are displayed in a prominent position as part of the premises inspection. The Headteacher will have defined the route and informed all members of staff. Staff are responsible for maintaining clear access to escape routes at all times.

The Health and Safety Co-ordinator will organise practice fire evacuations as appropriate, but at least once every other term (i.e. three times per year). At the start of the autumn term all tutors will walk their tutor groups to their assembly positions. Year 11 students will also be told of the assembly position for examination candidates should an alarm be raised during an examination period and whilst they are sitting an examination.

A fire risk assessment has been completed for these premises and will be reviewed on an annual basis or when any changes occur.

Invigilators must ensure candidates follow the Emergencies instructions above and may only return to the examination room once the all clear has been given by the Head Teacher or a senior member of staff.

Bomb Incident Management

Unlike fire evacuations it is difficult to define clear, mandatory guidelines that must be followed. Some decisions must be made at the time in question depending upon the actual circumstances. Therefore the Crisis Management Team will liaise with the Children's Services Department, Police and the Fire and Rescue Service and follow their advice on the evacuation procedure and assembly point. This will then be communicated to staff, pupils, visitors, etc. by an appropriate means.

Any member of staff who receives information regarding a bomb on-site must immediately inform the Headteacher or a member of senior management in their absence.

When dealing with emergencies, staff must be aware of the centre's policy and, where appropriate, any instructions from relevant local or national agencies. Reference should also be made to the following document: <https://www.gov.uk/government/publications/bomb-threats-guidance/procedures-for-handling-bomb-threats>

Centres must have a written centre policy for dealing with an emergency evacuation of the examination room, which will be subject to inspection by the JCQ Centre Inspection Service. (ICE 25)

Site staff

- Ensure exam rooms are available and set up as requested by the EO

- Ensure grounds or centre maintenance work does not disturb exam candidates in exam rooms

- Are required to remain in the exam room for the full duration of the exam

Irregularities

Head of centre
