

## **Pupil Premium Statement 2018/19**

## **Year 7 Catch Up 2018/19**

Pupil Premium is additional funding allocated to schools for pupils who are in receipt of free school meals (FSM) or who have been eligible for free school meals over the last 6 years (Ever 6 FSM). In addition an allocation is also made to pupils in local authority care for more than 6 months (CLA) or Service children.

The Pupil Premium Grant (PPG) is money used to ensure that pupils who are at risk of underachievement are able to reach their full potential and access the same opportunities, provision and enrichment as those not eligible for PPG.

### **Potential barriers to future attainment for pupils eligible for PP**

- Medical - Some of our PP pupils have complex medical and educational needs. A significant number of medical appointments and absences from school impacts on the progress they can make.
- Behaviour - Some pupils have complex behavioural needs that allow small steps and sometimes inconsistent progress.
- Physical - Some pupils need therapeutic input in order for them to increase their physical ability to access learning.
- Sensory - Some of our pupils need specific sensory input in order to regulate their sensory processing and be able to access learning.
- Communication - Some of our PP children have communication difficulties that can affect their ability to access learning.

The Manor Green College population is one that could all be considered to be disadvantaged in a wide variety of ways however we take rigorous steps to ensure we:

- Monitor the progress and attainment of PP, FSM and CLA students.
- Intervene immediately to review and change interventions when pupils are not making expected progress or where a gap appears.
- Progress is monitored regularly by AHT in charge of progress along with other key stakeholders.

2018/2019

Total number of pupils on roll	209
Total number of pupils eligible for PPG	71
Total amount of PPG received	£70,978
Year 7 catch up premium	£17,904

The Governing Body reviews the impact of Pupil Premium and the 'closing the gap' data regularly.

Intent	Implementation	Amount Spend (approx.)	Impact
1:1 and small group work in key areas to support students	Staff Interventions - All pupils identified (SIPs) have worked in small focus groups as well as whole class groups using LSA support within the lessons to give additional support	£21,000	All pupils eligible for Pupil Premium grant continue to achieve in line with their peers
1:1 and groups work on English and Maths to improve foundation skills	Year 7 Catch up funding - All Year 7 pupils identified for catch up funding have worked in small focus groups as well as whole class groups using LSA support within the lessons to give additional support	£18,000	All pupils eligible for Pupil Premium grant continue to achieve in line with their peers
To support disadvantaged pupils with communication and behaviour issues	Communication Resources - To enhance and aid communication and widen communication strategies used	£6,000	Additional resources have increased communication and strategies used with students

Additional classroom resources to support small groups teaching	Class resources - Extra resources made available allow further access to subjects including Art, PE, IT etc.	£2,000	Additional resources have allowed for smaller groups to be resourced and access the curriculum
To support students with emotional issues causing barriers to learning outside of school environment.	Counselling - Provides a confidential forum for therapeutic exploration to resolve presenting emotional needs. Provides strategies for behaviour management, in turn supporting engagement and building resilience	£19,655	A reduction in anxiety for a number of PP students enabling them to access education and life at Manor green college
To support families with financial support for activities within school	School Support - Support for students e.g. school uniform, school trips	£4,500	Students have been able participate fully in school life
To develop communication skills To enhance and promote students computing skills	IT Equipment - Additional laptops to support PP students Additional specialist software to allow students to access IT provisions	£10,000	IT equipment has meant the ability to offer a wide range of creative and bespoke lessons for the college population
Music therapist in school working with identified groups of students	Music Therapy - using music to address the physical, emotional, cognitive, and social needs of a group or individual. Employing a variety of activities, such as listening to melodies, playing an instrument, drumming, writing songs, and guided imagery.	£6,000	A reduction in anxiety for a number of PP students enabling them to access education and life at Manor green college

All PP pupils targeted for interventions attended and accessed support intended for them. This is reviewed and monitored by SLT and Governors.

**Plan for 2019/2020 Projected Funding**

Total number of pupils on roll	217	Total amount of PPG expected	£70,352
Total number of pupils eligible for PPG	81	Year 7 catch up premium expected	£17,000

<b>Intent</b>	<b>Implementation</b>	<b>Predicted amount spend (approx.)</b>
1:1 and small group work in key areas	Staff Interventions - All pupils identified (SIPs) will work in small focus groups as well as whole class groups using LSA support within the lessons to give additional support	£18,000
1:1 and groups work on English and Maths to improve foundation skills	Year 7 Catch up funding - All Year 7 pupils identified for catch up funding will work in small focus groups as well as whole class groups using LSA support within the lessons to give additional support	£17,000
